Evolution

Internal dimensions
140 x 198 x 145

The **Space Evolution** extends the premium range of **James Baroud** roof top tents and sets new benchmarks in innovation and design. The **revolutionary design** creates more internal space, while retaining a compact size when folded.

Taking one person just 8 seconds to erect and 25 seconds to stow, the **Space Evolution** provides excellent levels of comfort with full protection from the wind and rain.

The **2015 model** delivers **360° panoramic views** with extremely strong mesh, and is so **easy to stow** a child could do it!
